Dear Mr Cameron,

We are members of our fairtrade, peace and justice action group at Saint Mary's Catholic Primary School. We have been following the refugee crisis and have been affected by the pictures we have seen. The images of children like us suffering have left us feeling heavy hearted, upset and determined to take action.

A third of refugees travelling to Europe have left their homes in Syria. We know Britain has offered homes to a small number most in need but we would like you to do more. With no end to the fighting more people will be risking their lives to leave their country and more innocent children will be in danger. This makes us really sad and we want to do all we can to help. Winter is coming which means more danger for innocent people.
