

## **Pupil premium strategy statement**

### **Expenditure evaluation**

#### **Strategy plan**

**“I was disadvantaged as a child, yet I had the advantage of being in the company of great teachers.”**

**(A.P.J. Abdul Khan, 11<sup>th</sup> President of India)**

***“Every one of our children is carrying something the world is waiting for – it’s just the world hasn’t got it yet,” Sister Judith Russi***

The ‘Pupil Premium’ is a government initiative that provides extra funding aimed at pupils from disadvantaged backgrounds. Research shows that pupils from deprived backgrounds underachieve compared to their peers and that there is a strong link between eligibility for free school meals and underachievement. The Pupil Premium is designed to help each school boost the attainment of disadvantaged children and reduce the gap between the highest and the lowest achievers. The government has used pupils’ entitlement to free school meals (FSM) and children looked after by the local authority (CLA) as an indicator for deprivation. The funding is allocated according to the number of pupils on roll who have been eligible for free school meals at any point in the last 6 years (known as ‘Ever6 FSM’), an allocation for each pupil who has been ‘Looked After’ (in care) and a smaller amount for the children of service families.

#### **Principles**

- To ensure that teaching and learning opportunities meet the needs of all pupils.
- To ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged are registered for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil, or groups of pupils the schools have legitimately identified as being socially disadvantaged.
- Pupil Premium funding will be allocated following a needs analysis which will identify priority groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

# Pupil premium strategy statement

Pupil premium strategy statement 2021-24.

This statement details our school's use of pupil premium (and recovery premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils. It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

## School overview

# Part A: Pupil premium strategy plan

## Statement of intent

At St Mary's Catholic Primary School, we believe that providing quality first teaching gives the best intervention for catch-up. Everything we do must be underpinned by a commitment to support our teachers to be the best they can be so that we positively impact on the improvement in outcomes for our most disadvantaged children and all children. This will be strengthened by a whole school ethos of high expectations, understanding academic and emotional needs and growing potential in every child.

The key principles of our strategy plan are:

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

| Challenge number | Detail of challenge                                                                                                                                            |
|------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1                | Lack of a wide vocabulary and correct sentence structure of sentences as well as basic concepts such as positional language. Children in EYFS, Nursery and KS1 |
| 2                | Limited awareness of themselves as independent learners and ways they can manage their own learning to improve outcomes.                                       |
| 3                | Improving high level questioning to increase challenge and deepening of learning for pupils.                                                                   |
| 4                | Continue to increase pupil attendance above the national average for all pupils.                                                                               |

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

| Intended outcome                                                                                                                                                       | Success criteria                                                                                                                                                                                                                                                                                                                                                                                                             |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Increased vocabulary usage in nursery, EYFS and Year 1 leading to improvement in speaking and listening, early reading and writing outcomes at the end of Key Stage 1. | <ul style="list-style-type: none"> <li>• Increase of pupils achieving % of exceeding for GLD.</li> <li>• Increase % of pupils exceeding in writing and reading at the end of KS1.</li> </ul>                                                                                                                                                                                                                                 |
| Increased understanding of themselves as learners; embedding meta-cognition as standard practice to improve learner's outcomes.                                        | <ul style="list-style-type: none"> <li>• Use of meta-cognition strategies as standard practice for teaching and learning- to be seen in all learning sessions.</li> <li>• Increased book and photographic evidence of pupils leading their own learning using meta-cognitive strategies.</li> </ul>                                                                                                                          |
| Eradicate poor questioning from teachers and teaching assistants to ensure all pupils deepen their learning.                                                           | <ul style="list-style-type: none"> <li>• Challenge learners and deepen the learning for all pupils seen across the school.</li> <li>• Consistently good or better teaching and learning across the school ensuring that questioning drives the learning forwards alongside deepening understanding.</li> <li>• Increased evidence of pupil's feedback to peers and increased evidence of pupil/ teacher feedback.</li> </ul> |

|                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                     |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Continue to increase attendance of all pupil groups, including all vulnerable pupils, to ensure that it is above the national average thus ensuring pupils get a good chance to learn.</p> | <ul style="list-style-type: none"><li>• Good quality questioning from all teachers and teaching assistants seen as expected practice in all T and L sessions leading to increased challenge and deepening of learning.</li><li>• Pupils learn at every opportunity with good to outstanding attendance across the school.</li></ul> |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

### Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ £ 30,000

| Activity                                                                                                                                      | Evidence that supports this approach                                                                                                                                                                                                                                                                                       | Challenge number(s) addressed |
|-----------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|

**Total budgeted cost: £ 76,000**

£8,000 contingency for further intervention: uniforms, trips, school dinners, interventions with TIS practitioner, tutoring.

## Part B: Review of outcomes in the previous academic year

### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

- Access to remote education through provision of digital equipment to all.
- High overall attendance at onsite school education during the lockdown periods.
- Attendance for disadvantaged group improved during lockdown.
- Families and children supported through the global pandemic through Pastoral lead support and daily contact from school team.
- Overall whole school attendance for 2020-2021 was 97.9% and this has increased to
- Recovery curriculum written to respond to the children's needs during the pandemic.
- Targeted intervention work has had a positive impact upon progress despite the disruption of lockdown.
- Increase in attainment of Reading, Writing and Maths for PP children from last academic year.

| Subject | Full cohort | Boys | Girls | PP  | Non-PP |
|---------|-------------|------|-------|-----|--------|
| Reading | 82%         | 81%  | 83%   | 78% | 84%    |
| Writing | 78%         | 79%  | 78%   | 70% | 82%    |
| Maths   | 82%         | 86%  | 80%   | 74% | 87%    |

### Externally provided programmes

*Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England*

| Programme          | Provider             |
|--------------------|----------------------|
| Read, write inc    | RWI                  |
| Accelerated Reader | Renaissance          |
| IXL                | IXL Learning Company |

## Service pupil premium funding (optional)

*For schools that receive this funding, you may wish to provide the following information:*

| Measure                                                                        | Details                                                                      |
|--------------------------------------------------------------------------------|------------------------------------------------------------------------------|
| How did you spend your service pupil premium allocation last academic year?    | Supporting with AR reader and Forest school.                                 |
| What was the impact of that spending on service pupil premium eligible pupils? | Raising self-esteem so that SPP children are emotionally ready for learning. |
