## Good Luck Year 6

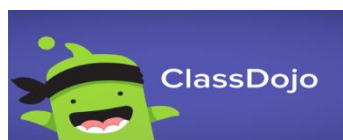

Well another year over! What a funny year that was; it was a very far cry to our usual years.

But let us focus on the matter in hand- we want to say a huge farewell to our gorgeous year 6's who have turned into such a remarkable group of people. We could not be any prouder of this group, they have made the most of everything, their journey was one of maturity, and achievements in the most unusual of times. Hats off to you all and good luck for the future, make sure you 'shine like the brightest stars' when you move onto your secondary schools and show your new teachers how great you all are. We wish you and your families all the very best of luck.

I also would like to say a huge well done to everyone within our school community, our children, our parents, our staff and our community members for doing so well during the lockdown and over the last few weeks. You have all done a wonderful job supporting us and ensuring the children are logging on to complete the work being set. The teachers have really enjoyed the google meets and we will definitely make more use of it if we have a further lockdown.

So signing off for now, we can't wait to welcome you all back in September, it will be a treat to have so many children back in school and to see every one of you again.

Best wishes Mrs McDonald and the team at St Mary's

Class Dojo will have all the school's up to date information for pupils returning to school in September. Please ensure you have ready Mrs McDonald's letter post on the main page regarding our return to school.

Headteachers special mention to: all our Year 6 pupils taking their next step in their school lives-Good Luck

SUMMER  
READING  
CHALLENGE

Over the Summer Holiday they will be releasing a series of new activities as part of a new project - **Our Proud Roots – a family exploration of our proud roots**. Proudly celebrating our local landscape, environment and people, this will be a chance to explore and reflect on what makes our place and community special, as seen through fresh eyes and with a new perspective in our changed World.

Please visit their **Activities at**

**Home** webpage <https://www.wheal-martyn.com/activities-at-home> has resources and ideas for families to try at home.

Keep an eye on the website and social media for the new resources and ways to get involved, both remotely and by coming along to Wheal Martyn to explore the 26 acres of woodland.
