ACT NOW !!
Your Chance to Have a Say on the Future of Our Town
Plan Bodmin.co.uk

Neighbourhood planning gives great power to communities to influence the design of new development in their area. Communities throughout the country have strong ideas about the design of new homes and public spaces and are demonstrating that development is more welcomed if local people have influenced it.

Bodmin residents now have the opportunity to give their views on the important topics that will shape the future of our town as a place to live, work and play. An online survey has been set up on the Plan Bodmin website at www.planbodmin.co.uk/consultation to canvass residents opinions about critical issues like the future transformation of the Town Centre, the balance of housing growth with provision of infrastructure and essential services, future housing development, business and employment and traffic, transport and parking.

The online survey is open so far residents can give their views, and Paper copies are available for pick up at points around the town if you can't complete the survey online. The completed forms can be dropped off at these locations where there will be special marked boxes.

The locations:

Shire Hall, Mount Folly

Stan Mays Stores, Higher Bore Street

Mc Colls Convenience Store, St Mary's Road

Spar Convenience Shop, College Lane

Closing date for paper and online surveys is the 31st July 2021.
