School Matters!

Attend Today, Achieve Tomorrow

Children who are late miss the start of their learning, their chance to choose their lunch with their peers, it takes up staff time to escort late pupils to class and it also disrupts the learning of others when children arrive late and have to have the lesson explained again. Pupils do not like being late as it upsets their routine in class, they tell us this. Dan Burbridge, the Educational Welfare officer, will be meeting with parents on the gate who arrive late at school to address this issue.

Dan Burbridge will be holding another attendance clinic for pupils with unsatisfactory attendance. Letters will go out to parents/carers to inform them of the clinic. This has proved successful in the past, but should it not have a positive impact on your child's attendance, please expect a referral to the Educational Welfare Service. Please support us in improving our attendance by ensuring your children are at school, on time, everyday unless there are exceptional circumstances. Appointments should be made out of school hours, where this is not possible it is important for pupils to come to school before and after their appointment to minimise impact on their learning and attendance.

If you are having issues with attendance please contact Mrs Landry who is available to support you.
