School Lay-by

To ensure the safety of all pupils can parents please pull up into the layby and keep children in the car until they are near the top.

This prevents traffic building up in the road causing jams and children getting out into the road. Staff are always there to supervise children from the car to their classrooms, but if you wish to take them yourselves please do not park in the layby but find somewhere safe to park and walk them in.

Thank you for your support in keeping all of our children safe.

Lateness

Several of our children are regularly late to school, this is distressing for them as they do not like to walk into classrooms when everybody is already working. They also miss their morning 'starter' activity and the chance to order their lunch etc with their peers. Lateness also means that staff are taken from supporting children to order lunches, take children to classes etc. Please support us and your children with this by ensuring you are leaving enough time to get to school. Dan Burbridge will be addressing lateness and the impact it has on children with families that are regularly late during his next visit.

TAKE PART. HAVE FUN. STAY SAFE

Children and young people love swimming outdoors, but swimming in the sea, rivers and lakes is very different to swimming in a pool.

Swim Safe is a fun, free opportunity for children aged between 7 and 14 (able to swim 25 metres) to learn how to keep themselves safe when swimming outdoors, and what to do if they get into trouble.

From 2 to 4 August, children have the chance to take part in a fun, practical, interactive Swim Safe session at Millendreath Beach, Cornwall and learn all about how to stay safe by the sea.

Each hour long session is completely FREE and includes safety advice from qualified lifeguards and up to 30 minutes in-water tuition with qualified swimming teachers.

Swim Safe is an inclusive activity that can be adapted for children with special educational needs and/or disabilities.

Visit swimsafe.org.uk to book your place, or visit us on the day.

Children must be able to swim at least 25 metres to take part. Parents or carers must be present during the session.
